Elective Course: (Fill-in Course # and Description)

Electives can fall under multiple categories. Students may choose to take a focus or application course. Students also can choose to take a relevant non-Wharton course with the approval of the concentration advisor (for example, "Urban Education").

Experiential Component: (Attach a Description)

This requirement is met by a course that also fulfills one of the above four requirements. For a course or activity to count, it must be approved by the concentration advisor.

Description: Please provide a description of interest in the secondary concentration.

Social Impact Advisor Approval: _____ Date: _____
